

# THANK YOU FOR CONSIDERING THIS REQUEST TO INCREASE YOUR GIVING BY 1% OF YOUR INCOME.

## TO USE THIS TABLE:

1

Look down the left column to find your approximate household income.

2

Look across the row to find the column that matches your giving pattern — weekly, monthly or annually. The number in this column is the amount you are asked to consider for your increase for next year.

3

Add this increase to your current level of giving to arrive at next year's requested amount.

| HOUSEHOLD INCOME | WEEKLY GIVERS | MONTHLY GIVERS | ANNUAL GIVERS |
|------------------|---------------|----------------|---------------|
| \$25,000         | \$5           | \$20           | \$250         |
| \$50,000         | \$10          | \$42           | \$500         |
| \$75,000         | \$14          | \$62           | \$750         |
| \$100,000        | \$19          | \$83           | \$1,000       |
| \$125,000        | \$24          | \$104          | \$1,250       |
| \$150,000        | \$29          | \$125          | \$1,500       |
| \$175,000        | \$34          | \$146          | \$1,750       |
| \$200,000        | \$38          | \$167          | \$2,000       |
| \$225,000        | \$43          | \$187          | \$2,250       |
| \$250,000        | \$48          | \$208          | \$2,500       |
| \$275,000        | \$53          | \$229          | \$2,750       |
| \$300,000        | \$58          | \$250          | \$3,000       |
