

United States | In Oregon, your gifts are empowering La Casa Común ("the common home") to "create the world we want to live in now" through community space, affordable housing, a shared kitchen, community organizing circles and more.

Serbia | The Ecumenical Humanitarian Organization (EHO) — supported by your gifts to Lutheran Disaster Response and AMMPARO, the ELCA's strategy to accompany migrants and refugees — provides space for immigrants and refugees to rest and rebuild their lives. One resident at an EHO camp in Principovac traveled there because he had heard it would be warm and comfortable, and the people were kind. When he arrived, he says, "I'm glad it was true."

Nigeria | Naret and her five children had to flee when a violent attack devastated her community in Nigeria. Your gifts to Lutheran Disaster Response helped provide her with food, essential supplies, and counseling to help her process her grief and trauma. "Your act of love has strengthened me," she says. "I have some peace in my heart now, and I believe better days are coming."

Iraq | You are helping farmers in Iraq find new, sustainable ways to water their crops and feed their families. Farmer Wansa received a sprinkler irrigation system and training in how to use it. "The new irrigation technique led me to reduce the costs in farming," she says, "and my income doubled and made me financially stable."
